Dear Parents/Carers,

Keeping Children Safe

Please can we remind you that children need to be supervised in the playground and on school grounds before and after school.

We appreciate that some families have to collect children from more than one playground and school staff are present before the beginning and after the end of the day but are not responsible for your child's safety.

In order to minimise the risk of accidents we would like to remind families that it is not permitted for children to play on playground equipment, or the grass, before or after the school day.

To ensure everyone's safety please remind your child to push their bike or scooter on school premises.

Thank you
The George Eliot Team
