RE: Proud Clouds

Dear Parents and Carers,

As mentioned in our EYFS parent workshop this morning we are sending home yellow 'Parent Proud Clouds'. This gives you an opportunity to share with us what fantastic things your child has been doing at home.

For example:

These contributions will be put into your child's Learning Journey to show their progress at home alongside the learning they have done at school. We cannot stress enough how valuable this information is in building up a whole picture of your child and understanding what they can do.

If you would like any more information or have any questions please ask a member of the EYFS team.

We look forward to receiving them!

Kind regards,

The EYFS team
