Dear Parent/Carer,

Re: Early Years Pupil Premium Funding

We kindly ask that all parents and carers with a child in Nursery or Reception go online to check their eligibility for pupil premium funding.

The check is a simple process where all you are required to do is to complete some basic details, including your national insurance number. This then informs the school of your eligibility. If you are eligible then the school will receive additional government funding to support teaching and learning in the Early Years.

Please use the website below to check:

<https://pps.lgfl.org.uk/>

Many thanks,

George Eliot Team
