RE: Pushchairs

Dear Parents and Carers,

We are writing to inform you that from Monday, babies pushchairs **must not** be brought into any part of the school building. This ensures that we are meeting our requirements under fire safety regulations.

If you need to come into the school building for a meeting or appointment, then you will need to take your child from the pushchair and leave this under the sheltered area, next to the main entrance. They must not block any of the entrances into school.

We would also like to take this opportunity to remind parents and carers about the age appropriate use of pushchairs. Children who are under 5 and are capable of walking, should not be brought to school in a pushchair.

Please see the guidance from the Department for Health on the back of this letter for further information.

Kind regards,

The George Eliot Team
